Silverstone 14th July

# The John Player Grand Prix

## A Five Star Event

The John Player Grand Prix, organised by the RAC is the highlight of Silverstone's Jubilee Year. It is the ninth round of the Formula 1 World Championship, and because it falls in the middle of the season, it plays a crucial part, as far as the teams are concerned, in the final outcome of the Championship. The all-star line up will include reigning World Champion Emerson Fittipaldi and three former Champions, plus the cream of the world's Formula 1 drivers.

In addition to this classic event there will be races for Formula 3 cars, featuring Grand Prix drivers of the future; Formula Atlantic, the exciting new single seater formula; Group 2 Saloon Cars, always entertaining; and Historic Racing Cars, which include many famous cars from the past.

Besides the racing, there will be many extra features and facilities to make 14th July, 1973 a truly action-packed and memorable day.

### The Five Star Programme:

- \* The John Player Grand Prix
- \* Yellow Pages Formula Atlantic Championship round.
- \* John Player Formula 3 Championship round.
